Revision date: July 2016

The Fellowship

The Zonta International Amelia Earhart Fellowships were established in 1938 in honor of Amelia Earhart, famed pilot and Zonta club member. The Amelia Earhart Fellowships are awarded annually to women pursuing a Ph.D./doctoral degree in aerospace-related sciences or aerospace-related engineering. The Fellowship of **US\$10,000** may be used at any university or college offering accredited post-graduate courses and degrees.

Who is Eligible?

Women of any nationality pursuing a Ph.D./doctoral degree who demonstrate a superior academic record in the field of aerospace-related sciences or aerospace-related engineering are eligible. Students must be registered in a full-time Ph.D./doctoral program and completed at least one year of that program or have received a master's degree in an aerospace-related field at the time the application is submitted. Applicants must not graduate before April 2018. Please note that post-doctoral research programs are not eligible for the Fellowship. Members and employees of Zonta International or the Zonta International Foundation are also not eligible to apply for the Fellowship. Note that previous Amelia Earhart fellows are not eligible to apply to renew the Fellowship for a second year.

A verification of current enrollment must be submitted with the application. Acceptance letters are not verification of enrollment and will not be accepted.
